NAEMSP International Medical Directors Overview Course

04 DEC 2016

NAEMSP WORKSHOP - NOT TO BE MISSED!

So what will you get out of it?

DevelopingEM teams up again with the National Association of EMS Physicians (NAEMSP) to provide a pre conference workshop in EMS Medical Direction.

This interactive course focuses on EMS in the real world and serves to enhance physicians' expertise in EMS issues.

Participants will receive a foundation upon which to function effectively as an EMS medical director, receive specific management tools that may be of use in their local EMS system, initiate dialogue with other EMS physicians to allow future networking, and develop an understanding of how EMS functions within the broader emergency care system.

- Eight Hours Of Lectures, Discussion and Evaluation
- Two Refreshment Breaks
- Lunch Break

Join us in Colombo - 2016
