ULTRASOUND PODCAST 2 day WORKSHOP - NOT TO BE MISSED!

So what will you get out of it?

The team from the Ultrasound Podcast are bringing their renowned 2 day workshop to Colombo on the 3rd and 4th of December 2016. Based on their award winning Castlefest the workshop will focus on hands-on approach to capture the ultrasound experience

As you can see from the program all the big areas of critical care ultrasound are covered.

You get all the lecture material ahead of time in very easy to consume video format that can be played on your computer, tablet, or smartphone.

You can watch this material as many times as you like, while travelling, while working out, while doing the dishes, or wherever you're able to learn.

The day of course will have a very short review of the main points from the lecture. Then you scan!

This workshop has limited places and is sure to fill fast so register now!
